Senior Class Prophecy

Just as the juniors settled their heads on their desks for their mid-morning nap in Mr. Nixon's geometry class, a dream began to form:

Mrs. McMennamy walked in with the morning school paper dated May 15, 1984. The first item was:

CLASS OF 1960 HAS REUNION

The senior class of 1960 had its first class reunion at the Cotton Center School Saturday, May 13, 1984, at 7 P. M. Those present were the following:

Mrs. Gene Scarbrough, formerly Kay Heath, who is now doing the Tolgate Kissing Commercials on television. She had to get a job to pay for her ten children's contact lenses.

Sylvia Poovey, a distinguished visitor from New York, who recently had to give up her title as Mrs. America because she failed to meet one of the requirements - she had no husband!

Jean Williams, famous cross-county "hot-rodder," who is still attempting to accomplish her life-long ambition, which is to make a ninety degree turn at ninety-five miles per hour.

Mrs. Kenneth Ashby, the former Sue Stewart, who after being so successful in getting herself a husband, now runs the Cotton Center Date Bureau.

Heilda Barrett, who recently, dissatisfied with the Ashbys' match-making, submitted her name to Univac. Not satisfied with her mate, she has returned home with her half of the twenty thousand dollars they won on "People Are Loony."

Cotton Center's own Donnie Thrash, Don Turner in private life, is now giving guitar lessons to Presley, Fabian, Chet Atkins, and other famous celebrities.

Mrs. Eleanor S. Griffin, former sponsor of the class, was also present at the reunion. However, her stay was cut short, due to the fact that she had to pack her little black Plymouth, with the newly installed 400 cu. in. blown Chrysler engine, for a senior trip the next morning at four. We are sure that they will break all speed limits in getting to Colorado.

Jimmy Terry was turned down by the Marines and now owns a very exclusive beauty shop, Teri's Beauty Salon. His wife, Sue, has the best groomed hair at the Thursday Evening Bridge Club. Jimmy baby-sits with his five lovely daughters while Sue plays bridge.

The next item began:

FORMER SUPT. MORING HAS ULCERS

Mr. I. D. Moring, former Supt. of schools at Cotton Center has retired from President of Teen Age Girls' College, with a severe case of ulcers - - -

Bang! Mr. Nixon beat his yardstick on the desk and the juniors at once came back to geometry - never knowing, for sure, what happened to Mr. Moring and maybe some of the others at dear old Cotton Center.

Kay—

We have certainly been privileged to have had you as a member of our student body this year. I have enjoyed our relationship very much—especially in Chemistry. I am expecting "great things" from you.

Best wishes always.

LeJuana Jackson

Kay.

I certainly have enjoyed knowing you for this short time. You are a sweet person and with your personality you will go far in success

Best Wishes

Louise

May 4, 1960

Dear Kay.

It has been a real pleasure working with you this year. I appreciate your cooperation and hard work. As editor, you did so much to make the annual a success. Kay, you have so much sparkle and enthusiasm that you will always have many friends. I hope I will always be one of them.

I wish you the very best for a successful and happy future.

Ruth Lowry

Dear Kay,

Words are always inadequate, as I should attempt no more, but simply say that it has been a privilege to be a student - Have you for a student - Have enjoyed my associations with you. I wish for you success in your chosen work. Always sincerely and affectionately yours,

Edward L. Griffin

Kay —

To one of the sweetest and most understanding girls I have ever known. I know we have only gone to school together for one year, but I sometimes think it seems forever. I wonder what this year would have been like if you had stayed in Oklahoma. I really and truly hope things work out for you. You keep your fingers crossed for me too — Best of luck at Baylor and don't forget me —

Love ya

Sylvia
